

The Company

Oriental Remedies Group (ORG) comprises of *Oriental Remedies Clinic* - a leading patient-centered healthcare provider offering effective treatments grounded in Traditional Chinese Medicine (TCM) and enhanced with medical technology, and *Oriental Remedies Store* - our retail pillar.

We are a modern TCM start-up that grew from 2 to 60 people strong in merely 4 years. Despite the pandemic, we continued with our expansion to provide more patients with quality healthcare. We recently opened our flagship clinic in Orchard and will be starting at our fifth location in July 2023.

Not only were we awarded the Best TCM Clinic of The Year in Asia Pacific by Global Health Asia-Pacific in 2021, but we were also featured during Prime Minister Lee's 2022 May Day Rally speech for our safe and conducive workplace policies.

ORG does things differently - we believe that our employees are the key drivers of the company. We provide our employees with equal opportunities to initiate change and have a say in the work that they do while supporting them with coaches to guide them through challenges. With Employee Growth in our DNA and our belief that a good life begins with a good company, we hope to grow our team with dynamic talents who are independent workers committed to a growth mindset.
